

MODEL UNITED NATIONS MUN-1000 seminar 2021-22

Opening Lecture & Information Session
23 Sept. 2021, 6 PM, aud. 100

The Model United Nations (MUN) is a simulation of the different United Nations organs and other forums of international relations and asks young people from all over the world to take on the role of world leaders.

In the seminar MUN-1000, an elective course for students enrolled in all faculties, the students are required to take the role of a country's diplomat whose nationality is different from theirs; they are expected to understand the position of this country in order to represent and serve its « official » interests on various issues during a period of negotiations and debates. The MUN is an intensive and enriching learning program that aims to build an understanding of global challenges amongst young people beyond the borders of background, culture and nationality.

The information session will be organised on **Thur. 23 September, 6 PM**, aud. 100. It will follow an opening lecture on the topic of

The Sahel, an issue for the European Union, Belgium, and International Relations

by

**Ambassador Bernard Quintin, Deputy Managing Director
for Africa at the European External Action Service**

The session is open to all students. Practical information on the MUN seminar and the registration process available on Moodle: MUN1000 (21-22).
